

how to find us ...

From the M27/A27 coast road, take the exit signposted Portsmouth East and Southsea (A2030).

Follow the A2030 signs into Eastern Road and follow this for approximately three miles (mind the speed cameras) until you reach a major junction where you can see the lights of Portsmouth Football ground ahead of you.

At this junction turn left into Milton Road, signposted "Hayling Ferry".

At the second set of traffic lights (approximately half a mile) turn left into Bransbury Road, signposted "Southsea Marina".

After approximately half a mile, again following the signs for "Southsea Marina", turn left into Fort Cumberland Road.

Continue to the end of Fort Cumberland Road past Southsea Marina on your left and the Lifeboat Station on your right.

Park in the car park on the left of the boarding pontoon or the shingle on the right.
